January 22, 2003,

This is a letter of Recommendation for Jeff Oliver:

I have been a Wedding Photographer for 33 Years. I do many Weddings, Parties and School Functions, many of which were being Serviced by Mr. Oliver as the DJ. He is most Professional as well as Entertaining. He seems to get the evening off to a great start and continues all through the night. It makes my job as a Photographer move along smoothly. He works well with everyone. Mr. Oliver is an Entertainer and has the ability to involve everybody in his program. Its with great admiration and a pleasure to give my Recommendation for Jeff Oliver.

Sincerely,

Don Barros
