To Whom It May Concern: This is a letter of recommendation for Jeff Oliver,
www.1AwesomeDJ.com.

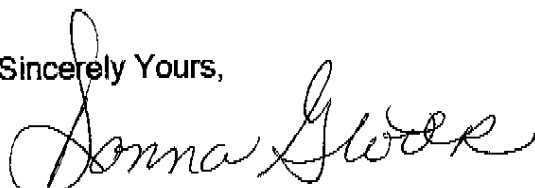

I own Kay's Bridal Shop in Castro Valley, California. I've been in the wedding business since 1939. I see many different merchants come and go. I've been to many different events and seen quite a few DJ's do their work.

Jeff Oliver stands out as a "the DJ" I highly recommend. I've seen his work and I proudly refer him to my clients. Jeff does several things that make him an outstanding choice for any type of event.

- Jeff meets with his clients before each event to specifically identify your needs.
- His presentation is complete and even shows you a video of his work.
- He provides a written itinerary for your event.
- Jeff handles hosting and coordinating with the utmost professionalism.
- Jeff is superb at keeping an event moving.
- He commands a wide variety of music and keeps the dance floor full.
- Jeff plays requests when ever possible.
- He not too loud.
- Jeff's style is very flexible & versatile. He can offer much more than just playing CD's. Jeff can teach several different dances and he has really nice stage props and costumes that your guests can use to become the star of party for 3-5 minutes at your party. Jeff can also offer great icebreakers for your event.
- For weddings Jeff offers you the chance to record your wedding to a CD, He then uses this CD to play your vows back with the last dance at your reception. Very romantic!
- For wedding music he has a fabulous collection of wedding music and can offer you a sampler CD so you can hear 30 seconds of his greatest hits. 68 songs and growing.

Jeff Oliver makes your party into an event that people will remember for years to come and he is flexibility gives you everything that any one could ask for in a DJ. I highly suggest you hire Jeff for you next event.

Sincerely Yours,
