To Whom It May Concern:

This is to confirm my recommendation of Jeff Oliver, A Awesome D.J. as a great and creative disc jockey. I have been in the wedding business over 30 years and it is very refreshing to see someone with so much enthusiasm and sincere enjoyment of his work. Jeff's remarkable collection of all varieties of music allows him to be able to bring old and young unto the dance floor arena to enjoy themselves totally no matter what the occasion.

Whenever I have the opportunity to be involved with an event and see Jeff Oliver there, I know a genuine good time will be enjoyed by all the guests.

Jeff is very professional in his presentation and has that special talent of knowing what the people want and need to make their party a great success.

Sincerely,

Gerry Stanton
