THE LARRY HENDRICKS EXPERIENCE!

To Whom It May Concern:

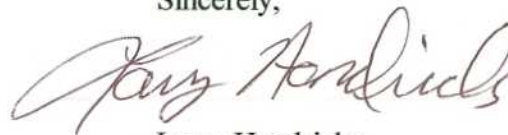

My name is Larry Hendricks. For the past eight years I have owned and operated Music By Design Productions. An interactive entertainment company, which continues to achieve success and please our clients.

For the past eight years I have had the pleasure of knowing Mr. Jeff Oliver. His successful D.J. business has been an inspiration to others and myself who have had the opportunity of working with him. I have always found him to be a man of honesty and integrity who will leave no stone unturned to please his clients. His attention to detail, creativity, and love for what he does shows in every event he commands.

In the last eight years I have referred many bookings to him that I was not able to handle. I have never received a complaint by anyone who has used his services. On the contrary, I have only heard compliments on his professionalism and the wonderful time he provided. I believe his success has been due to his consistent desire to treat each of his clients with respect and work with them to make their event all that it should be.

I would not hesitate to recommend Jeff Oliver and the wonderful energy he projects in a field that he truly loves. Please feel free to contact me if I can provide any further information on his behalf.

Sincerely,

Larry Hendricks
