To Whom It May Concern:

Subject: Recommendation for Mr. Jeff Oliver – One Awesome DJ

I am very pleased to be writing this letter for Jeff Oliver, owner of One Awesome DJ. That name says it all, because that is what Mr. Oliver is! I have known him since 1994 when I was owner of Bridal Beginnings. I have attended some of the wedding receptions he has handled and thoroughly enjoyed myself.

He is professional in every way, handling the music, the crowd, and the bride and groom in a smooth charismatic way. Jeff's enthusiasm gets everyone dancing, including the children. He intermixes props, dance lessons and inventive games to keep the event moving. People are smiling, laughing and taking home great memories of a wedding they attended. His knowledge of music, equipment emceeing and his emergency kit take away any worries for the occasion.

Jeff meets beforehand with the bride and groom to deliver exactly what they want. He does a personal consultation on all details of coordinating and hosting the upcoming event. He is an honest business person who genuinely wants to please his clients. In fact, he has stayed in contact with couples even after their wedding day. One Awesome DJ was the ONLY DJ service I recommended to my customers who were shopping for wedding dresses. Jeff Oliver continues to do the industry proud after 14 years in the business. He would do honor to your book, Here Comes the Guide, if he is included in your listing.

I highly recommend him without reservation.

Sincerely,

Patty Chan
