TIM AND JANE VAUGHN

Recommendation for Jeff Oliver, 1 Awesome DJ.

We are wedding photographers of more than 20 years experience. In that time we have seen hundreds of DJ's. Only a few DJ's are outstanding and that's why we highly recommend Jeff Oliver – 1 Awesome DJ.

Jeff's events are consistently more festive, fun and spontaneous. He draws people into the fun. We get fantastic pictures because of that too. But, Jeff does more than that. He is flexible in his style and approach. He does a great job as M.C. & Host & Coordinator as he keeps your event moving. Jeff is a vital teammate and communicates well with caterers, videographers, photographers, etc. And, because of this, we enjoy working with him.

Each event is planned. Jeff meets his clients before each event to gather details, and put them down into writing. He takes his time with you to make sure that everything is well thought out and planned so you don't have to worry about that the day of the event. Jeff's attention to your details is remarkable. He takes the pressure off so you can relax and be a guest at your own event.

More than just playing music his clients want to hear. During your event Jeff goes the extra mile to provide the music as entertainment with his unique style. And, he has a fantastic ability keep crowds dancing for hours. When you want more energy at your party Jeff knows how to make that happen. His dance lessons are fast, festive and fun. His wedding & party games/icebreakers can really change the out come of any event. Jeff's stage props and costumes can take an ordinary event and make it "the one" that people talk about for years. His extra services often play a key role in "making events happen".

But, don't just take our word for it. Take the time to look at his DVD-Video Demo too. Let your own eyes decide what is best for your own event. Jeff has several features that make him truly unique. His consultation and presentation speaks for itself.

Sincerely Yours,
