Jeff Oliver has entertained at our restaurant on numerous occasions. Our Staff has reflected too management what wonderful performance that Jeff Oliver puts on every time he has entertained at our establishment.

Jeff has so much enthusiasm in his job. Jeff is always very helpful to our staff informing them sequences of events that are coming up in a wedding, birthday party, retirement party, etc. All of his clients have related to us how much they enjoyed the creativity that Jeff presented at their party.

Jeff is a very unique DJ. Our staff is so impressed with his entertaining techniques they requested that he perform at our Christmas Party in 2002. Our staff has related to us all of the excitement and fun all of his parties have experienced. Jeff has props, hats, awesome games, a great sound system etc. Jeff's professionalism is considered a class act and a positive reflection on our restaurant. We look forward to another engagement performance by Jeff Oliver at our facility.
