To whom it may concern,

Larry Krusee and Jeanie Shelton, owners of Party Rentals & Dance Floors, have had the pleasure of attending numerous events where an awesome DJ, MC & Entertainer named Jeff Oliver was performing. He truly takes control of the event to coordinate and thoroughly entertain all of the guests.

Jeff is very aware of the needs of the group. His choice of music will make you want to get up and dance. He has an expert ability to read the crowd, also playing games or group dancing for icebreakers, if needed.

Offering the time it takes to meet with the coordinators of the event, Jeff lets them select their own musical choices in advance. If you want a special song or two, they will certainly be included. His expertise with all age groups, types of music, and his vast selection of music are impressive.

By the use of his large selection of costuming and props, Jeff will include the family members or the guests of honor in some skit or performance to entertain all.

Jeff has that natural ability to make any type of situation the best and most enjoyable.

We would highly recommend Jeff over and over again! He is truly a great entertainer!
