To Whom it May Concern:

I'm a videographer that has done 1000's of events since 1991. I've had the pleasure to work with Jeff Oliver (Awesome DJ) several times. Jeff is more than just "on time", "well prepared" and "nice to work with".

Jeff is the ultimate professional in his craft. Don't stare too long at his business name "Awesome DJ". You'll miss the best part of what he can do for your event.

I've worked with many DJ's that are very good at what they do. However, Jeff Oliver stands heads above the crowd. His concentration is remarkable - He enhances any event in ways that are meaningful to the client.

Providing quality music in a masterful style and motivating any crowd to be in a celebrative mood is natural for Jeff. He makes it look easy. However, Jeff is especially gifted at hosting & coordinating. Jeff rises to the occasion of any change, adjustment or emergency at any event. This is what makes him a valuable asset to special events, parties and especially weddings.

Sincerely,
