To Whom It May Concern:

I am a minister who has performed over 1300 wedding ceremonies during the past 22 years. I have worked with Jeff Oliver many times over the course of my career and have found him to be always on time, well prepared, and a delight to those he comes into contact with.

Jeff is a consummate professional and a master of his craft. I recommend Jeff to my couples because I know from first-hand experience that he provides exceptional service and wonderful memories to last a lifetime.

Sincerely,

Rev. Robert D. Pilkey
